Parents Right to Know

Title I School

Elementary and Secondary Education Act requires all schools to notify parents of *all* children in *all* Title I schools that they have the right to request and receive timely information on the professional qualifications of their children's classroom teachers.

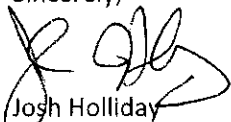

Parents have the right to know the professional qualifications of their child's teachers and paraprofessionals. As a Title 1 school, Keowee Elementary will provide information about professional qualifications in a timely manner.

Federal law allows parents to ask the following questions:

- Is the teacher certified to teach the subjects and/or grade levels the teacher is teaching?
- Is the teacher's certificate a waiver or substandard certificate?
- What are the teacher's academic major and graduate degrees? What is the teacher's certification area?

If you would like to have more information, please contact the school at 886-4475.

Sincerely,

Josh Holliday
