DISSEMINATION OF RESULTS

Describe how the school will provide individual student academic assessment results in a language the parents can understand, including an interpretation of those results, to the parents of a child who participates in the academic assessments required by Section 1111 (b)(3) of the law.

Parents and caregivers will be notified of their child's progress through the use of classroom newsletters, email, phone calls, parent conferences, mid-term reports, and report cards. Twice a year and as needed throughout the school year, the parents and caregivers will be invited to come to the school to discuss their child's behavioral and academic progress with the child's classroom teacher. Additionally, parents and caregivers in grades 2–5 will have access to their child's attendance, discipline, and grades through a computer program called ParentConnect. All parents and caregivers have access to Canvas. The district's Learning Management System which provides detailed information for parents regarding their child's school. The district issues a Report to the People, which delineates results of our standardized testing program. The School Report Card from the State will be disseminated to each parent and caregiver in November. The Report to the People is issued twice a year (Fall and Spring). Each parent and caregiver receives a report of standardized test results for his/her child for tests such as SC READY/ SC PASS and MAP. Individual conferences are held with parents to discuss test results and develop academic assistance plans if needed. A parenting in-service will be held to explain testing and test score results. Also, a monthly school newsletter will be sent home explaining goals, achievements, and upcoming events. Monthly meetings will be held with SIC and/or PTO to discuss student achievement and to review the school's accreditation and Title I plan. Ample communication is provided to invite parents and caregivers to the meetings. All information will be provided in both English and Spanish to accommodate non-English speaking families. Other translations will be provided as needed/requested.
